AMENDMENT 02

RFI

Question: I wasn't aware of Cage Code requirement? We are going in as a sub-contractor. Are we still able to participate until Cage Code arrives?

Response: Yes, Cage Code is required for all primary contractors. If the company is a sub-contractor, then there is no need to provide Cage Code, unless you plan to change your submittal status from subcontractor to primary contractor/Offeror prior to having business with the government.

Question: Amendment one states the procurement will be limited to 8(a) firms with the assigned NAICS code of 238220. Does this mean that only firms having NAICS code 238220 assigned from the SBA as their primary NAICS code can participate?

Response: No, this offer is not limited to the firms only with primary NAICS Code 238220, but with capabilities of 238220 listed on the firm's profile in SAM and SBA.

Question: My Company would like to bring three (3) representatives from our office (Offeror) and three (3) representatives from our subcontractor, since we are different companies, is this allow?

Response: No, the company's subcontractor representatives count into the total people allowed per company/Offeror – Only 3 people from each primary company bidding will be allow, including their subcontractors. Subcontractors are not considered Offerors. A.6 of the solicitation has been amendment.

Question: I was going through the forms attachment and couldn't find the following items: Exhibit D financial questionnaire, Exhibit E surety form, Exhibit G FAR clauses and Exhibit I coefficient sheet.

Response: These attachments are not needed for the pre-proposal conference; however, Amendment 0002 has incorporated the following forms:

1. Surety form
2. RFI form

Coefficient language and FAR Clauses were incorporated under Section B, G and I of the solicitation N62473-15-R-1012. Financial Questionnaire is not required.
